Concept, Product & Market Development

Robin Schempp

Culinary Consultant

Right Stuff Enterprises, Inc

Robin is founder and President of Right Stuff Enterprises, Inc. (*est. 1992*), which specializes in creative culinary concept, product, menu and business development for food and beverage clients. Robin has co-created a number of related businesses including Chef Stuff, ChefExpress and The Mist Grill Café, all of which have supported her passion for regional, sustainable, seasonal, artesian and wholesome foods.

Robin is Vice President of Chefs Collaborative and President Emeritus of the Vermont Fresh Network, both of which strive to connect chefs with a more sustainable food supply. She is also active with the Research Chefs Association, Slow Food and The International Association of Culinary Professionals.

Robin has always had a proclivity for exploring and enjoying the many expressions of the table and multi-tasks at every opportunity by eating and drinking well.
